

Elizabeth Hilbert 804-943-4385 | ElizabethAHilbert@gmail.com | [in/ElizabethHilbert](https://www.linkedin.com/in/ElizabethHilbert) | Bay Area

Policy leader with 10+ years experience bridging technology and the public interest. Deep expertise in AI policy and governance, stakeholder engagement, program management, and strategic communications.

EDUCATION

University of California Berkeley, Goldman School of Public Policy May 2025–May 2026
Master of Public Affairs, Certificate in Technology Policy

University of Virginia, B.A., Political Science & B.A., Media Studies 2012–2016

PROFESSIONAL EXPERIENCE

Policy Fellow, Partnership on AI Jan 2026–present

- Led multistakeholder input process (including focus groups, expert survey, literature review) shaping PAI's recommendations across two feedback rounds for the EU's Code of Practice for AI-generated content
- Developed recommendations for PAI's future regulatory engagements including policy updates to address emerging gaps in agentic AI and synthetic text and proposed US state-level engagements on synthetic content transparency

Graduate Researcher, Center for IT Research in the Interest of Society Oct 2025–Feb 2026

- Conducted legislative analysis of CA AB 1018 (Automated Decisions Safety Act); developed amendment strategy and rebuttals to opposition arguments, presented to policymakers and staff in Sacramento

Team Lead, AI Product Policy, Meta April 2024–May 2025

- Served as policy lead for government engagement on generative AI: drafted responses to regulator inquiries, briefed government affairs teams, and prepped executives for meetings with policymakers
- Managed a team of 4 driving evaluations, adversarial testing and fine-tuning for response quality in Meta AI, resulting in a >10-point gain on internal quality benchmarks
- Designed evaluation and risk frameworks for AI text and multimedia models; conducted predeployment assessments, developed safety mitigations, and informed launch decisions for new AI products and features
- Authored and launched policy updates for AI-generated content transparency across Facebook, Instagram, and Threads, protecting against deepfake risk while reducing negative user and advertiser feedback >90%

Senior Product Marketing Manager, Integrity, Meta June 2021–April 2024

- Managed business strategy and product communications for Facebook's integrity, trust, and safety products
- Created industry-leading transparency strategy for political content policies on Facebook; managed global launches in Meta Newsroom and Transparency Center achieving 100% of messaging goals
- Launched quarterly Facebook transparency reporting; owned messaging strategy, streamlined launch process achieving 50% time-cost savings for Product Marketing, and consistently met coverage goals

Product Marketing & Business Development, GoFundMe (prev. Classy.org) Dec 2016–April 2021

- Managed \$1.5M+ book of business across 180+ nonprofit accounts, consistently exceeding quarterly revenue targets (100–119% attainment across 8 consecutive quarters); generated \$42K+ in new closed business from client referrals
- Drove thought leadership strategy including content programming for industry conferences, and represented the company at venues incl. Ronald McDonald House Charities and the Sanford Institute of Philanthropy

ADDITIONAL EXPERIENCE & LEADERSHIP

Graduate Student Instructor, UC Berkeley Department of Political Science 2025–2026

Member, Board of Directors, Bay Area Book Festival 2025–2026

Political Consulting Associate, Crossroads Campaign Solutions 2015–2016

Campaign Organizer, Democratic Party of Virginia 2013–2015
