

Elizabeth Hilbert

804-943-4385 | ElizabethAHilbert@gmail.com | [in/ElizabethHilbert](https://www.linkedin.com/in/ElizabethHilbert) | Bay Area

Policy and advocacy leader with 10+ years of experience bridging technology and the public interest. Deep expertise in regulatory frameworks, content transparency, and AI risk governance.

EDUCATION

University of California Berkeley, Goldman School of Public Policy

May 2025–May 2026

Master of Public Affairs, Certificate in Technology Policy

University of Virginia, B.A., Political Science & B.A., Media Studies

2012–2016

PROFESSIONAL EXPERIENCE

Partnership on AI, San Francisco, CA (remote)

Jan 2026 - present

Policy Fellow

- Synthesized literature review, stakeholder focus groups, and survey data to inform PAI's policy recommendations across two rounds of feedback for the EU's Code of Practice for AI-generated content transparency
- Developed recommendations for PAI's future regulatory engagements including policy updates to address emerging gaps in agentic AI and synthetic text and proposed US state-level engagements on synthetic content transparency

Center for IT Research in the Interest of Society (CITRIS), Berkeley, CA

Oct 2025–Feb 2026

Graduate Student Researcher

- Conducted legislative analysis of CA AB 1018 (Automated Decisions Safety Act) and developed amendment strategy and industry rebuttals to support the bill's advancement, drawing on enacted models like the Colorado AI Act

Meta, Menlo Park, CA

Senior Product Policy Manager & Team Lead, Artificial Intelligence

April 2024–May 2025

- Counseled product and engineering teams to mitigate safety and regulatory risks of Generative AI products
- Developed risk frameworks for AI text and multimedia models and conducted predeployment risk assessments
- Directed policy program to improve political viewpoint robustness in LLM responses. Managed a team of 4 driving adversarial testing, evals, and fine-tuning strategy, driving >10-point gain in response quality on internal benchmark
- Managed policy communications for Generative AI, including government affairs and executive communications
- Authored and launched policy updates for AI-generated content transparency across Facebook, Instagram, and Threads, protecting against deepfake risk while reducing negative user and advertiser feedback >90%

Meta, Menlo Park, CA

Senior Product Marketing Manager, Integrity & Trust

June 2021–April 2024

- Managed business strategy and global product communications for Facebook's integrity, trust, and safety products
- Created industry-leading transparency strategy for political content policies on Facebook; managed global launches in Meta Newsroom and Transparency Center achieving 100% of messaging goals
- Launched quarterly Facebook transparency reporting; owned messaging strategy, streamlined launch process achieving 50% time-cost savings for Product Marketing, and consistently met coverage goals

GoFundMe (previously Classy.org), San Diego, CA

Product Marketing & Business Development (various roles)

Dec 2016–April 2021

- Managed \$1.5M+ book of business across 180+ nonprofit accounts, consistently exceeding quarterly revenue targets (100–119% attainment across 8 consecutive quarters); generated \$42K+ in new closed business from client referrals
- Drove thought leadership strategy including content programming for industry conferences, and represented the company at venues incl. Ronald McDonald House Charities International and the Sanford Institute of Philanthropy

ADDITIONAL EXPERIENCE & LEADERSHIP

UC Berkeley Department of Political Science, Graduate Student Instructor

Aug 2025–present

Bay Area Book Festival, Member, Board of Directors

2025–present

Crossroads Campaign Solutions, Political Consulting Associate

2015–2016

Democratic Party of Virginia, Community Organizer

2013–2015
